

PERSPECTIVES EVENTS CALENDAR
Spring 2010

The Perspectives theme for 2009-2010 is “Reaffirming Our Christian Mission.” Perspectives will use lectures, sermons, films, concerts, plays and art to reaffirm Chowan’s Christian faith. Through your participation in Perspectives, you will be engaged with intellectual, cultural, social, and spiritual experiences and activities that will deepen your faith and participation in our mission and God’s mission.

| Awards Day Convocation | Danny Moore | Wednesday | April 21 | 11:00 a.m. | Turner Auditorium |

“Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.”

— Philippians 4:8

Perspectives Program

The purpose of the Perspectives Program is to enrich the intellectual, cultural, social, and spiritual development of students beyond the classroom. The program allows students to develop new perspectives by providing them with opportunities to explore issues of current interest, deepen their awareness of the arts, learn about cultural activities they may not have considered otherwise, discover a variety of disciplines, strengthen their understanding of faith and its diversities, grow toward spiritual maturity, celebrate the achievements of others, and develop an appreciation for the concept of campus community.

In order to pass Perspectives (PERS 101-104), students must attend a minimum of eight events during the semester. To satisfy the requirement for graduation, students must pass four semesters of Perspectives. Students seeking a degree from Chowan must enroll in Perspectives in their first semester attendance and continue to enroll until they have fulfilled this graduation requirement. Chowan does not grant degrees to students who fail to earn a pass grade for four semesters. The Registrar will determine the Perspectives requirement for transfer students.

Students receive attendance credit for each Perspectives event they attend. Attendance is recorded by the scanning of student ID cards. Attendance is included in the student's transcript as a pass/fail grade. It is the responsibility of each student to keep track of the number of events attended each semester and to monitor the four-semester requirement. Students may track their attendance by going to the Novell Launcher and clicking on "Perspectives." Students questioning attendance at a Perspectives event have 48 hours from the date of the Perspectives program to make an appeal. No appeal made after 48 hours will be considered. Questions regarding attendance or pass/fail grade should be directed to the Registrar's Office.

Guidelines for Attendance

Perspectives events are official university events, usually held in Turner Auditorium, where appropriate behavior is expected. Students are required to follow the guidelines adopted for these events:

- Be on time for the event. Students will not be admitted once the program has started. Students will not be admitted to Wednesday Perspectives events after 11:05.
- Students are required to attend each program for its duration to be awarded credit.
- Dress appropriately for all events. We reserve the right to address this issue with all students.
- Food and drinks are not permitted.
- Remove caps, hats, etc., out of respect to the speaker and those around you.
- Assume an appropriate seated posture. No feet or legs draped over other chairs or armrests. No slumping in chair.
- Give your attention to the speakers. They are our guests. Loud, boisterous, disruptive behavior will not be permitted. Disruptive students will be asked to leave.
- Really listen and get as much out of the experience as possible.
- Communication and electronic devices are not permitted. Students will be asked to leave if they violate this policy.
- At the end of the event, students must have their ID cards scanned by authorized personnel to receive proper credit for attendance. Students will have one week after the beginning of the semester to correct any problems with their ID cards. After that time, no one will receive credit without having his or her card scanned.
- Students may not stand in the back of Turner Auditorium.
