Office of Information Technology

The Chowan University Web servers promote the University to the general public and assist users both on and off campus to find information about the University, its programs, and the people that make up the Chowan community.

The Chowan University servers and the information maintained and referenced on them are provided "as is" with no warranties of any kind. Chowan University disclaims all liability of any kind arising out of your use of, or misuse of, these servers and the information contained and referenced within them.

All parties storing materials on the Chowan University Web represent and warrant to Chowan University that the installation, copying, distribution, and use of such materials will not violate any other party's proprietary rights and that these materials do not contain any libelous or defamatory content.

While University departments will make every effort to ensure the accuracy of material published on the Web, discrepancies may sometimes exist between printed and electronic information. In any such case, the printed version of the material should be considered the official version. If you have questions about any information that appears on the Chowan web, please contact the originating department directly. Opinions expressed in personal or non-departmental home pages should be construed as those of its author, who is responsible for the information contained therein. If you have questions or comments about a particular page or document, please contact its author directly.

It is a violation of legal and ethical standards to claim someone else's work as one's own. Written permission of the person or organization possessing ownership must be secured before use of any trademarked or copyrighted material. Unauthorized use and/or distribution of others' intellectual property (including but not limited to text, images and software) is theft.

The University assumes no responsibility, legal or otherwise, for the content of individual home pages. Any claims asserted against an individual author for material contained in his or her home page shall be the responsibility of that individual author.

Information Technology (IT) is responsible for operation of the University computing services and for the design and maintenance of the Chowan University home page. IT is not responsible for the completeness, accuracy, or timeliness of information provided by other departments or individuals. However, if you have any general comments, suggestions, or concerns about Chowan's pages, please do not hesitate to direct them to the IT office ([webmaster@micah.chowan.edu](mailto:webmaster@micah.chowan.edu))
