Fall 2008 - Final Examination Schedule

UNDERGRADUATE AND ADULT DEGREE COMPLETION

A final examination is to be given in all courses on the day and at the time scheduled. Rescheduling a final examination for a class requires permission from the department chair and the school dean.

A faculty member may, with the approval of the department chair, substitute other forms of evaluation appropriate to the objectives of the course for the prescribed final examination in special circumstances. In this case, the department chair approves the action and informs the school dean.

In rare cases, it may be necessary to reschedule a final examination for an individual student. The student must have permission from the dean to reschedule a final examination. Students with three or more examinations on the same day may appeal to the dean for such permission; in such cases, if necessary, the dean will assist the student in rescheduling.
