INTRODUCTION

Recognizing the changing ways students access information and in order to conserve resources the Chowan Handbook has been significantly redesigned. Much of the information you as students need is on the university’s web site or other electronically accessible sites. Complete information about the Chowan’s Academic Program is contained in the university catalog. This new handbook contains policies administered by the department of Student Affairs as well as information that the university is required to communicate to students in this publication. As a member of the university community you are expected to familiarize yourself with the information contained in this handbook and to follow the policies contained within the handbook.

Lets go CU Hawks!
Dear Chowan University Student:

What a wonderful time to be part of Chowan University. We are blessed to have the distinction of being the fastest growing private university in North Carolina. Because of this significant campus improvements abound: three new student apartment buildings, a new tennis center, a newly renovated football center and numerous projects inside the buildings. The beauty of Chowan’s campus is widely recognized.

However, I am most proud of the faculty and staff of Chowan University. Not only are they well educated and highly skilled but they care about you — the student. We are committed to your success as a student and your growth as a person.

Chowan University means “family.” I am pleased that you have chosen to be a member of our family.

Best wishes for the 2017-2018 academic year.

Welcome home to Chowan!

This is indeed a special year in the life of Chowan University as we celebrate our 170th anniversary. Whether you are a new member of our community or a seasoned veteran this truly will be a year to celebrate. This milestone year for Chowan will be witness to many positive changes for our university and I am sure that you will find it will be a time of great personal growth as well.

The purpose of this handbook is to introduce you to the services and programs that are designed to enhance your university experience. The handbook also includes the expectations and guidelines that have set Chowan apart as a church-related university engaged in Christian higher education for 170 years. I encourage you to read this handbook carefully so that you will have full understanding of the community we are building at Chowan.
All of us who work here at the Chowan understand that the reason we are here is to provide you with the greatest university experience possible. If I can be of any assistance to you, I encourage you to stop me on campus or drop by my office for a few minutes. I am confident that is going to be one of the greatest years in the history of Chowan, and I am particularly pleased that we will share this experience together.

Go Hawks!

P. Randy Harrell
Vice President for Student Affairs

Greetings,

I am Isiah H. McCullum; a senior, psychology major from Greenville N.C. I am honored and humbled to serve as the SGA President at Chowan University for the 2017-2018 Academic Year.

On behalf of the Chowan University Student Government Association, I would like to welcome all the new Hawks to the sloping hills and verdant greens of Chowan University. The Student Government Association (SGA) looks forward to building relationships with the entire student body and your needs. I hope you are ready for an exciting extracurricular and academic year ahead. The goal of the SGA for the 2017-18 academic year consists of putting students first. We believe that students are the true heartbeat of the university and we want your voices to be heard. Our goal is to work closely with university administrators, faculty and staff to foster strong partnerships and provide a positive student experience. Our entire SGA Executive Committee and Senate take pride in serving the students of Chowan University and enhancing the collegiate experience. The SGA will remain focused on the University’s motto “Faith in your Future.”

Please feel free to contact SGA by email at sga@chowan.edu or stop by the SGA office located in the Hawks Nest. We are excited about the opportunity to serve you!

Isiah McCullum,
Student Body President, 2017-2018
This Student Handbook is an official publication of the Department of Student Affairs. Nothing in this Handbook may be considered as setting forth the terms of a contract between a student or prospective student and Chowan University. The University reserves the right to modify the requirements for admission and graduation; to amend a regulation affecting the student body; and to dismiss from the University any student if it is deemed by the University to be in its best interest or in the best interest of the student to do so.

Chowan University, as a Christian institution that enjoys a historical as well as current relationship with the Baptist State Convention of North Carolina, recognizes the worth and value of all people as created in God’s image. All individuals are loved by God and as such are valued within the community of Chowan University. The University cannot however support or condone lifestyles among members of its community that it deems are inconsistent with Biblical principles and the mission and/or values of the University or the Baptist State Convention.

Chowan University admits students without regard to race, national or ethnic origin, sexual orientation, religion, disability, or gender to all the rights, privileges, programs, and activities generally accorded or made available to students at Chowan, and does not discriminate on the basis of race, color, gender, sexual orientation, age, religion, national or ethnic origin, marital status, veteran status, or disability in the administration of its education policies, admissions policies, scholarship and loan programs, and athletic and other University-administered programs. It complies fully with the prohibitions against discrimination on the basis of sex contained in Title IX of the Educational Amendments of 1972. In employment of both students and staff, Chowan is an Affirmative Action and Equal Opportunity Employer.

Recognizing the changing ways students access information and in order to conserve resources the Chowan Handbook has been significantly redesigned. Much of the information you as students need is on the university’s web site or other electronically accessible sites. Complete information about the Chowan’s Academic Program is contained in the university catalog. This new handbook contains policies administered by the department of Student Affairs as well as information that the university is required to communicate to students in this publication. CHOWAN UNIVERSITY is the second oldest of North Carolina’s seven Baptist universities. It opened in 1848 as Chowan Baptist Female Institute, a four-year college for women. It was renamed Chowan College in 1910, admitted male students in 1931, and became a two-year institution in 1937. In 1992, the college returned to four-year status when it admitted a junior class. In 2005, the Board of Trustees voted unanimously to move Chowan to university status.

The university continues to expand its academic program and to recruit well qualified faculty. At the same time, it continues to appreciate its identity as a small, church-related institution whose people know each other. The university attempts to provide an environment that is comfortable and conducive to intellectual, social, and spiritual growth. The administration and faculty believe in and insist upon intellectual freedom, while continuing the commitment to Christian principles. Chowan University does not discriminate on the basis of gender, race, color, age, creed, national origin, or handicap in its policies concerning employment, admission, housing, scholarships, and grants-in aid, and public functions.

Mission Statement

CHOWAN UNIVERSITY is a comprehensive coeducational institution committed to excellence in teaching, learning scholarly inquiry, and service. The University provides the environment for students to become learners who possess the skills, knowledge, creativity, and ethical values necessary to survive and flourish in a rapidly-changing, culturally diverse, global society. Chowan University, as a church-related institution, was founded upon and is dedicated to Judeo-Christian values. Consistent with this heritage, the University is guided by the historic principles of religious and intellectual freedom-academic excellence, the dignity and worth of each individual, an atmosphere of open dialogue, freedom of inquiry and expression, and a moral commitment to the pursuit of truth.

The University fulfills its mission with a careful blend of both liberal arts programs and professional programs at both the undergraduate and graduate levels. Recognizing that such a blend of knowledge and experience is particularly suited to the needs of contemporary society, Chowan emphasizes the need to connect general education with specialized education, theoretical learning with practical learning, and intellectual skills with career skills in all areas of study. Graduate studies enhance practical learning, intellectual skills, and career skills beyond the undergraduate program. These connections are emphasized throughout the years normally required to satisfy graduation requirements.

The University meets the academic, social, and spiritual needs of its students by affording personal attention in a caring context, providing structured extracurricular opportunities which facilitate positive learning and life experiences, furnishing diverse programs maintained in appropriately appointed physical facilities, promoting and supporting the ideal of responsibility to self and others, and employing a qualified and diverse faculty and staff who are committed to the mission of the institution.

THE ALMA MATER

On the plains of Carolina
'Neath her skies so blue,
Stands our noble Alma Mater,
Glorious to view.

With her classic walls and columns
Looks she proudly down,
Reared against the arch of heaven,
With the stars for crown.

By Meherrin's rippling waters
Where the sunbeams play,
We, her loyal sons and daughters,
Pledge our love for aye.

Praise to her! God grant His blessings,
May He give rich store.
Chowan we will ever cherish,
Love her ever more.

ORIGIN
Alma Mater is an expression used by a student or graduate to refer to his/her college or university. The Latin words mean “fostering mother.” The Romans often used the words in speaking of some of their goddess, such as Ceres and Cybele. The expression came to be applied to universities during the Middle Ages. Students probably first used it in this way at the University of Bonn in Germany. A statue of the Virgin Mary at Bonn was called Alma Mater, or Beloved Mother.

MELODY
The source of Chowan’s Alma Mater melody is unknown. One of its first uses was as a fraternity song, associated with the Fraternity, Theta Psi. Its first application as a school song was probably at Cornell University in Ithaca, New York. Cornell is on the banks of Lake Cayuga, and appropriately enough, the song began “Far above Cayuga’s waters...” Since its adoption by Cornell, it has been used by countless other schools, the most familiar in North Carolina being the University of North Carolina at Chapel Hill.

LYRICS
Chowan University has always been a school with music. In 1890, Anne Abernathy, one of the students, wrote the lyrics to Chowan’s Alma Mater, which has continued to be “Alma Mater” through the succeeding years.

THE FIGHT SONG

Hail Chowan

Lyrics: John A. Hinton, May 2009
Tune: “Semper Paratus” - Frances Van Boskerck

Now let’s show our Chowan pride.
The hawks have come to play.
The spirit soars above our team
We’ll surely win this day.

Fight, till it’s over, mighty hawks.
Fight on for old CU
With spirits brave and hearts on fire
Hail, Chowan, the white and blue.

**FERPA**

**The Family Education Right and Privacy Act**

The Family Educational Rights and Privacy Act (FERPA) is a federal law designed to protect the privacy of a student’s education records. FERPA gives parents certain rights with respect to their children’s education records at Chowan University. These rights transfer to the student, or former student, once he or she becomes an “eligible student” by beginning to attend Chowan University.

- Eligible Students have the right to inspect and review all of their education records maintained by the university. This right may be exercised by making a written or verbal request to the Registrar. The university generally is not required to provide copies of materials in the education record; it may charge a fee for copies.
- Eligible Students have the right to request that the university correct records believed to be inaccurate or misleading. This right may be exercised by making a written request to the Registrar. If the university decides not to amend the record, the Eligible Student then has the right to a formal hearing. After the hearing, if the university still decides not to amend the record, the Eligible Student has the right to place a statement with the record commenting on the contested information.
- Generally, the university must have written permission from the Eligible Student before releasing any information from the student’s record. However, the law allows the university to disclose records, without consent, to the following parties:
  - Either or both parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1986. (Payment of tuition is not sufficient proof that a student is a dependent.)
  - University officials who have a legitimate educational interest as determined by university policy and administered by the Registrar (see Definitions below).
  - Other schools or universities to which a student is transferring.
  - Certain government officials in order to carry out lawful functions.
  - Appropriate parties in connection with financial aid to a student.
  - Organizations conducting certain studies for the university.
  - Accrediting organizations.
  - Individuals who have obtained court orders or subpoenas.
  - Persons who need to know in cases of health and safety emergencies.
  - State and local authorities within a juvenile justice system.
- The university may also disclose, without consent, “directory information.” The university considers the following items to be directory information: name, class, photograph(s),
full-time or half-time status, home town and state, university e-mail address, date and place of birth, major field of study, participation in officially recognized activities and sports, degrees honors and awards, and dates of attendance.

• An Eligible Student may notify the university in writing that the university may not release any or all of the information categorized as directory information without prior consent. This notice must be given annually, and must be received by the Registrar’s office before the end of the first week of the academic year.

• An Eligible Student may notify the university in writing at any time during a given academic year that his/her e-mail address should not be listed in the university’s public access e-mail directory. Such notification shall remain in effect until the beginning of the next academic year.

• Eligible Students may file a complaint with the Department of Education concerning alleged failures of the university to comply with the requirements of FERPA.

**University Official:** a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a company with whom the university has contracted, e.g., attorney, auditor, collection agent; a member of the Board of Trustees or Board of Visitors; a student employee; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

**Legitimate Educational Interest:** A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

- Present ID if requested
- Be respectful of library staff members
- Use library computers as outlined in the university computer use policy

Conduct violations will follow the procedures and appeals set forth in the policy on Classroom Conduct, and also the policy in the student handbook under Student Guidelines and Expectations.

Financial Aid

Under guidance from the Director of Financial Aid, the University operates a comprehensive student financial aid program. Those who need financial aid to meet university expenses should contact a member of the financial aid staff to obtain the necessary forms to apply for aid.

The purpose of the financial aid program at Chowan University is to help students who cannot afford to go to college finance their education through a variety of scholarships, grants, loans, and/or part-time employment. Applications for financial aid are evaluated without regard to race, creed, color, national origin, or sex. To receive financial aid, a student must be making satisfactory academic progress as stated in the Chowan University Handbook. Financial aid is not automatically renewed from one year to the next.

Students Must Apply Each Year!

Some restrictions apply: Recipients of University funded scholarships and/or grants are not allowed to receive total scholarships and grants from all sources in excess of their university charges plus an allowance for books and supplies. University funded scholarships and grants are not available for summer school.

How to Apply for Financial Aid

Complete and file a Free Application for Federal Student Aid (FAFSA). The FAFSA is available in any high school counselor's office, in the Chowan University Financial Aid Office, and at www.fafsa.ed.gov. This information is used to determine how much the student and parent(s) can afford for educational expenses. Applications filed before May 1 have priority.
APPEALS
Financial aid is awarded based on the student’s financial need and funds available. If a student feels that the amount awarded is not enough for him/her to attend Chowan University, he/she may appeal for additional assistance. The appeal must be in writing and must explain why more assistance is needed, specifying the amount needed.

FINANCIAL OBLIGATION
Each student is responsible for taking care of his financial obligations to the University and the community. Failure to do so can lead to suspension from University.

Withdrawal and Change in Enrollment Status Policies

INSTITUTIONAL CHARGE REDUCTION POLICY
Registration in the University is considered a contract binding the student for charges for the entire semester. However, it is the policy of Chowan University to give a pro-rata charge reduction through 60% of the enrollment period in the event a student OFFICIALLY WITHDRAWS from school. (See the Withdrawal Policy under Academic Regulations.) An official Withdrawal Form must be completed and turned into the Registrar’s Office in order for a student to be officially withdrawn. The official withdrawal date is the date this process is completed.

Reductions will be computed on total charges for tuition, room, and board but not on fees. Students leaving school for disciplinary reasons will not be eligible for any reduction and will be liable for the entire semester’s charges. Undergraduate Day Program students registered for 12 or more hours who drop a course(s) after the last day of registration will not receive a pro-rata refund for individual classes that are dropped. Students charged on a per-hour basis may receive a pro-rata refund for classes that are dropped.

For purposes of interpreting this policy the pro-rata charge reduction percentage is equal to the number of calendar days (excluding breaks of five days or more) remaining in the semester divided by the number of calendar days in the semester. No charge reduction will be given after the 60% period of enrollment for the semester.

FINANCIAL AID REDUCTION POLICY
When a student changes enrollment status, Federal, State, Institutional, and Non-institutional Aid may be adjusted. In the event a full-time student ceases attending classes, financial aid will be adjusted according to Institutional, State and Federal policies. Federal regulations require a return or pro-rata reduction of Title IV funds if a student withdraws or ceases to attend classes up through 60% of the enrollment period. Title IV reductions will be calculated using the last known date of attendance at an academically related event. If the last date of attendance cannot be determined, the reduction will be calculated using the mid-point of the semester.

Financial aid reductions may affect the balance or amount owed on the student’s account.

For more information regarding Withdrawal or Change of Enrollment Policies contact the Financial Aid Office or the Business Office.

Post Office/Campus Mail Service
Student and Club/Organization mailboxes are located in the Hawks Nest Student Center. Chowan University requires all students to have a campus mailbox. At the beginning a student’s first semester, Service Enterprises assigns a mailbox to all students, including commuters. Students will retain this mailbox for the duration of their time at Chowan. If the student is unable to attend check-in, he/she should stop by Service Enterprises at his/her
earliest convenience to be assigned one. The operating hours are 8:30 AM - 5:00 PM. Address all student mail and packages in the following manner to ensure timely and proper delivery:

(Student’s Name)
Chowan University
One University Place
Box#: __________
Murfreesboro, NC 27855

The Service Enterprises staff delivers mail to student mailboxes by 2:00 p.m. each day except Sunday and during student holidays. Students receiving parcel post packages by either of the following delivery firms (U.S. Mail, UPS, FedEx, or Airborne Express) will have a notice slip placed in their mailbox instructing them to pick up their package(s) at Service Enterprises, located in the annex below Thomas Dining Hall. Students must present their ID to claim their packages. Stamps are available for purchase at Service Enterprise, cash sales only. Outgoing mail must be in Service Enterprise by 3 PM, Monday through Friday.

NOTE: Please DO NOT SEND CASH through the mail!!!

In order to receive mail during the summer months or after withdrawal during an academic year, students should supply a forwarding address to the Student Enterprises staff.

Faculty/Staff members frequently communicate with students through CALL-IN SLIPS, placed in the student mailboxes. STUDENTS WHO RECEIVE CALL-IN SLIPS SHOULD REPORT IMMEDIATELY TO THE OFFICE OF THE FACULTY OR STAFF MEMBER.

The Helms Center

The Helms Center is home for the Intercollegiate Athletic, and Sport Studies & Physical Education Departments. The facility contains a free weight gym; three racquetball courts; and a three-court gymnasium. Recreational hours are posted at the beginning of each semester.

Additional athletic and recreational facilities include: varsity soccer fields; a baseball diamond; softball complex; intramural fields; a golf driving range; football practice field and stadium; tennis courts and Lake Vann for fishing.

Music and Drama Productions

Turner Auditorium of the McDowell Columns building hosts two major theatrical productions, fall and spring. All Chowan University students are welcome to participate on stage, backstage, ushering, or as audience members. Other opportunities for experiencing theatre exist during the year.

Green Hall Art Gallery

The Green Hall Art Gallery presents a number of exhibitions throughout the academic year. The Gallery hosts invitational, competitive, and student shows. Hours are Monday through Friday, 9:00 AM to 5:00 PM. The Department of Visual Art announces exhibit openings, and artist receptions throughout the academic year.
Alumni Association

In 1852, Chowan University welcomed its first graduate to the alumni body. Today, the officially recognized “Chowan University Alumni Association” represents an organization of over 11,000 members and serves as a vital link between Chowan University Alumni and the University, its trustees, visitors, administrative staff, faculty, and students.

Membership
Membership is automatic upon: graduation from Chowan University; voluntary withdrawal while eligible to return and having completed at least one semester under a two-year program, or two semesters under a four-year program. While the Association encourages all alumni to make an annual contribution to the University’s Alumni Loyalty Fund, no fee or contribution is required for membership.

Organization
An executive committee known as the “Alumni Board of Directors” represents the Association, whose general membership is composed of all members of the alumni body who meet the above membership requirements. The Alumni Board of Directors is composed of the association president, president-elect, secretary, past-president, directors, and representatives of the University and current student body. Officers are elected to one-year terms and directors are elected to rotating four-year terms. The University’s Director of Alumni Services and the Presidents of the current student classes serve on the Board in an ex-officio capacity. The Board provides leadership and decision making in implementing the Alumni Program and conducts business on behalf of the Association between annual meetings. For additional information, please contact the Director of Alumni Relations at ext. 6226.

Bookstore

The University bookstore is well stocked with all the required textbooks, study guides, and other materials needed for University classes and laboratories. In addition, the store offers computer software, school supplies, toiletries, gift items, imprinted items, monogrammed clothing, and much more.

To open an exterior door of your residence hall, you simply tap your card on the card reader near the door and the locking mechanism on the door will be released for a short period of time. Remember, do not prop open the exterior doors of your residence hall as you are compromising the safety and security of the entire building. Your HawksCard ID will also be required to enter into the Jenkins Center, to check out games and equipment in the Hawks Nest and the Jenkins Center, to record your attendance at Perspectives, and to check out books in Whitaker Library.

**Meal Plans and Dining $**
The University has added Dining$ to each of its basic board plans, including a new 10 Meal Plan created for, and limited to, residents of Whites Crossing. Dining$ can be used at your discretion in the cafeteria or Murf’s. Additional information about meal plans and Dining$ can be found on pages 43 and 44 of the Academic Catalog. (Note: Dining$ does not carry forward from semester to semester and are non-refundable to the student.)

**Laundry Services and Laundry$**
The University has installed new washers and dryers in all residence hall laundry rooms. These machines can be activated in any one of three methods: 1) use of Laundry$ from you HawksCard, 2) use of HawksBucks, HawksBucks from your HawksCard, or 3) quarters. Each residential student, excluding those living in the Whites Crossing apartment (Bldg. B), will receive $45 worth of Laundry$ per semester on their HawksCard (ID Card). These Laundry $ can only be used to operate washers and dryers in the residence hall laundry facilities. If Laundry $ have been expended,
HawksBucks, if available, will automatically be deducted to complete the transaction. Note: Unused “Laundry$” are non-refundable and will not carry forward from semester to semester.

Another laundry related feature that the University has added is called “Laundry View”. This feature allows you to check on the availability of a washer or dryer from the web. You can also use Laundry View to see if your wash or dry cycle is completed. You can access “Laundry View” by going to http://www.laundryview.com and clicking on your residence hall. If you want to access Laundry View using a mobile device, go to http://laundryview.com/chowan.

You can use your Bookstore Voucher $ to charge books and supplies (not personal items or soft goods) in the campus bookstore. These charges will then be posted to your student account. (Note: You will be responsible for payment of any bookstore charges that exceed your student account credit balance.) Keep in mind that not all students will receive Bookstore Voucher $. DEPARTMENT OF STUDENT AFFAIRS

MISSION STATEMENT - The mission of the Department of Student Affairs is to assist and support students and their peer communities through planning, developing, implementing, and evaluating programs and services that facilitate intellectual, interpersonal, and spiritual development.

VALUE STATEMENT - The Department of Student Affairs is a caring community that remains steadfast to its shared values of faith in God, commitment to the development of students, creativity, and personal integrity.

VISION STATEMENT - The Department of Student Affairs creates a connected community that enables students to graduate with a clearer understanding of the world and themselves, which guides them through life.

The Department of Student Affairs is strongly committed to the total development - mind, body, and spirit - of each student within our residential university community. Student involvement opportunities and residential living complement the student's classroom experiences and lead to one's personal growth and holistic development. The professional staff plan, organize, and implement a wide range of quality programs and services directed towards enabling each student to develop social and interpersonal skills, foster leadership skills, explore career opportunities, cultivate sound ethical and moral principles, deepen spiritual commitments, and formulate a philosophy of life.

Active involvement in campus life is vital to achieving a well-rounded education at Chowan. Education is not limited to class lectures, assignments, labs, and tests; rather it extends into every facet of daily life. The staff assist in the education of each individual student by providing developmental opportunities in the spiritual, physical, emotional, cultural, intellectual, awareness of differences, life planning, social, and service learning areas. These areas of development bring about a holistic unity of the various dimensions of an individual. Our staff realize it is imperative that a positive environment is created for this learning to occur. We strive for an environment that promotes a sense of community among students, faculty, and staff. The development of this community is the process of shaping the environment, creating the attitudes, and developing the skills necessary to progress towards the ideal community.

With a shared vision of student life under the leadership and direction of the Vice President for Student Affairs, the Department of Student Affairs encourages and supports campus and student life through a variety of student services, programs, and activities provided by professional educators. Following are the offices within the Department of Student Affairs: Student Affairs, Student Life, Special Programs and Services, Housing and Residence Life, Public Safety, Campus Ministry and Recreation and Wellness.
Wellness Center

The University maintains a close relationship with Vident Roanoke-Chowan Hospital which is located in nearby Ahoskie, NC, and emergency medical technicians are available at all hours. Students should contact a residence life staff member in their residence hall or call Public Safety at 252.398.1234 for emergency needs during the hours the Wellness Center is closed. The University believes students with serious illnesses or contagious diseases are best served at home or in the hospital. No hospital or quarantine facilities are available on campus.

**Excuses for Class Absences**

In keeping with the current Class Attendance Policy, the Wellness Center staff is not permitted to write excuses from class. Please do not request a written excuse from the staff.

**Health Facilities/Services - On Campus**

A Registered Nurse (RN) staffs the Wellness Center. The university also enjoys a formal relationship with Northampton Family Practice, which offers a full range of basic medical treatment. The tuition and fee charges covers the cost of seeing the nurse in the Center. The cost of receiving services at Northampton Family Practice is borne by the student or his/her personal health insurance.

**Transportation**

Students are responsible for their own transportation to and from medical facilities.

**Health Forms**

Each incoming student is required to forward a Chowan University Health Report to the Wellness Center, a part of which is a complete immunization record. The North Carolina Board of Immunization sets forth the immunizations requirements and audits the student health records on a regular basis; therefore, no exceptions to these requirements are allowed. Failure to submit any portion will result in students not being allowed to register for classes. However, students who are accepted after August 1 for Fall Semester and after January 1st for the Spring Semester will have thirty calendar days after the first day of classes in which to submit forms; failure to do so will result in suspension from classes until complete forms are submitted. No athlete may participate in intercollegiate sports or play in a game without a complete file submitted.

**Health/Accident Insurance**

Chowan University requires that each full-time student maintain a personal health policy. Students without a personal health care policy should contact an independent agent licensed to conduct insurance in the state of North Carolina. For your convenience, the University has negotiated with our carrier for a low cost accident and sickness policy. All students are enrolled in and billed for the accident and sickness policy unless they waive out of the coverage at [www.chowan.edu/insurance](http://www.chowan.edu/insurance), with proof of coverage. Once enrolled, the student is responsible for filing claims, and claim forms can be found at [www.1stagency.com](http://www.1stagency.com).
Pregnancy Policy:

Chowan University does not discriminate against any student on the basis of pregnancy or related conditions. Absences due to medical conditions relating to pregnancy will be excused for as long as deemed medically necessary by a student’s doctor and students will be given the opportunity to make up missed work. Students needing assistance can seek accommodations from the Learning Center, Ella Benson at (252) 398-6304 or bensoe@chowan.edu or Title IX Coordinator, Brenda Tinkham at (252) 398-6437 or tinkhb@chowan.edu.

3. At expense to the student, the university will assist the student in securing prenatal care through Social Services or private pay.
4. The pregnant student may continue attending classes and living in a residence hall as long as doing so does not disrupt the educational processes, create undue problems for others, or endanger the health/safety of the mother and baby as determined by the attending physician.
5. Chowan University does not provide housing for pregnant students during vacation periods.
6. Students cannot keep their children in residence halls.

A Condition of Continued Campus Residency During Pregnancy

   2. Not responsible for damage done while trying to jump-start or otherwise assist a motorist

D. **Waiver** - In consideration of Chowan University accepting one as a student, and in realization that participation in University activities, both on and off campus, and use of University facilities, has some inherent risk or possibility of harm or loss, by entering Chowan University as a student, the student voluntarily waives all claims for damage or loss to person and property that may be caused by any act, or failure to act, of Chowan University, its trustees, officers, agents, or employees. The student assumes the risk of all damage or loss to person and property that may result from participation in university related activities, or by use of or presence on University premises.

E. **Loss of Vehicle Privileges** - Students who continuously disregard traffic regulations (by accumulating five or more vehicle violations) may lose the privilege of operating a motor vehicle on campus. Students who violate this policy are fined $25.00.

F. **Motorcycles and Mopeds** - It is a violation of North Carolina law to store gasoline-operated vehicles within a residence hall. Park mopeds and motorcycles in their assigned lots ONLY.

G. **Registration** - All motor vehicles operated by Chowan University students must be registered with Public Safety. Pick up vehicle registration decals in the Hawks Nest. Registration decals are included as part of tuition fees. Display registration decals on the lower left rear windshield of the car. For registered mopeds and motorcycles, place the decal on the front fender. Display temporary registration cards on the inside of the front window. Students who already have a vehicle registered in their names may bring an unregistered vehicle to campus but must get a free temporary registration card from the Department of Public Safety. If the unexpired decal of a previously registered vehicle is returned, another vehicle can be registered without additional cost to the student. A vehicle which does not bear a registration decal or a temporary registration card is not considered registered. Vehicle registration fees are non-refundable. Unregistered vehicles may be towed, immobilized, and/or fined.

H. **Towing** - The University reserves the right to tow any vehicle that creates a danger or violates any life safety code. Students who continually violate the NO PARKING rules and who accumulate five (5) or more vehicle violations may have their vehicles immobilized/towed and stored at the owner’s risk and expense.

**The inability to find a legal parking space in a convenient or specific location is not justification for violating parking regulations.**

FIRE & STORM SAFETY

Fire Alarm System

The campus fire alarm system is critical to the protection of the lives and property of students. General Statutes 14-286 of the North Carolina Criminal Law pertains to giving false fire alarms or tampering with fire alarm equipment as follows:

It shall be unlawful for any person or persons to wantonly and willfully give or cause to be given, or to advise, counsel, or to aid and abet anyone in giving a false alarm of fire, or to break glass key protector, or to pull the slide arm, or lever of any systems, except in case of fire, or will fully misuse of damage a portable fire extinguisher, or in any ways to willfully interfere with, damage, deface, molest, or injure any part or portion of any fire alarm, fire detection, smoke detection or fire extinguishing system.

Civil Penalty: Any person violating any of the provisions of this section shall be guilty of a misdemeanor punishable by a fine not to exceed five hundred dollars ($500, imprisonment for not more than six months, or both.

University Penalty: preliminary suspension.

Fire Prevention

What Causes a Fire?

Lifestyles of university students are in some ways particularly susceptible to fire hazards. Overloading electrical circuits with cooking and other appliances, using improperly gauged extension cords and multiple plugs are common contributors. As with most residential fires, the leading cause is CIGARETTES. Smoking material often lights upholstery or bedding when the smoker falls asleep.
BEFORE A FIRE:
- Take fire drills seriously
- Know primary and secondary evacuation routes. Each building has at least two exit routes
- Know locations of fire alarm pull stations and fire extinguishers and how to activate them
- Have phone numbers for Fire Department (911) and Public Safety (252.398.1234) near your phone
- Count and remember the number of doors between your door and exits
- Be aware of fire hazards
- Be careful with cigarettes, electrical appliances, and combustibles

ON HEARING THE FIRE ALARM SOUND:
- Prepare to exit building in an orderly manner
- Be familiar with safety precautions in exiting the building in case of fire. (Provided by residence hall staff.)
- DO NOT USE ELEVATORS
- Follow directions of the person in charge
- Be sure the fire department is called

IN CASE OF FIRE:
- Sound the fire alarm immediately to alert residents
- If possible, shut all doors and windows in immediate vicinity
- Use fire extinguisher on only the smallest, most containable fire
- Notify residence hall staff of location and type of fire
- Leave building by nearest exit and stay calm
- Crawl to prevent smoke and gas inhalation
- Take quilt or large towel to cover your face
- Take room key, but do not lock your room

AFTER EXITING THE BUILDINGS:
- Stand clear of the building after evacuating
- Report to your RA to be accounted for
- Follow directions of the staff members, Public Safety officers, Police, and Fire personnel

KEEP IN MIND:
- The charge for replacing an EXIT LIGHT is up to $200.00
- The charge for replacing damaged SMOKE DETECTORS is up to $200.00
- When an individual is found guilty of damaging the above items, the individual will be charged. If the guilty person or persons cannot be identified, those living in the area or on the floor will be prorated to cover the cost
- These charges are in addition to fines that may be the result of the judicial process

HURRICANE SAFETY

A hurricane is an intense area of low atmospheric pressure with counter-clockwise winds of at least 75 miles per hour. Always consider hurricane wind velocities of this magnitude a serious threat. Of all the natural disasters, a hurricane offers the greatest chance of advance preparations. The National Weather Service offers these suggestions:

LEVEL ONE: HURRICANE WATCH (HURRICANE MAY THREATEN WITHIN 36 HOURS)
1. Check transistor radio and flashlight for fresh batteries.
2. Fill vehicle with gasoline and relocate to safe area away from trees, poles, etc.
3. Store at least a two-day supply of food and water in your room (food that requires no refrigeration or cooking.)
**Level Two: Hurricane Warning (Hurricane expected to strike within 24 hours)**

1. Recheck supplies
2. Stay indoors and out from under trees, power lines, etc.
3. Murfreesboro is located on a coastal evacuation route; therefore, stay off the streets
4. Stay out of long span buildings (Helms Center, Hawks Nest), elevators, etc.
5. Stay away from windows (the larger, the more dangerous)
6. Collect and store valuable and personal papers (money, jewelry, medicine, etc.)
7. Stay calm!

**Tornado Safety**

A tornado is a very intense low-pressure area with counterclockwise winds sometimes exceeding 200 mph. Tornadoes generally move in a direction from the southwest to the northeast. A rapid reduction in atmospheric pressure causes structures to explode from the inside. Flying objects such as boards, limbs or other building materials cause most injuries. Adequate preparation for a tornado is the most difficult of all considerations; it offers the least amount of advance warning. The National Weather Service offers these suggestions:

**Level One: Tornado Watch (Conditions are right for tornado development.)**

1. Stay calm. Continue normal activities, but be alert.
2. Monitor weather reports - take shelter.

**Level Two: Tornado Warning (A tornado has actually been sighted).**

1. Seek shelter - to lowest floor, preferably an interior hallway - stay away from windows.
2. Avoid long span buildings (Helms Center, Hawks Nest, etc.). If unavoidable, go to the rest rooms, closets, or hallways of these structures - sit with back to wall and hands folded over head and neck.
3. If caught outside:
   a. Move away at right angles from the storm's path.
   b. Get out of vehicles.
   c. Lie flat in the lowest spot available (ditch, ravine, or other low spot).

**Tornado Evacuation Areas**

If a Tornado Warning has been issued on campus you should move immediately to the following areas:

- Academic Buildings - See notices in hallways
- Belk Hall - 1st floor north/south hallway, laundry room and restroom
- Dunn Hall - 1st floor hallways
- Helms Center - Training and locker rooms
- Jenkins Center - Restrooms and aerobics room
- Jenkins Hall - 1st floor hallway
- Library - Main floor away from windows and doors
- Mixon Hall - 1st floor hallway
- Parker Hall - Main floor in front of elevators, lobby away from windows
- Penny Hall - Examination room, Residence Life workroom
- Simons Hall - 1st floor hallway
- Thomas Cafeteria - Service Enterprise
- Whites Crossing - shower areas
Crisis Preparation Procedure
The possibility of an impending critical issue or the occurrence of such an event requires that the university notify the members of the university community in a timely yet orderly manner. The purpose of this document is to set forth a procedure by which the university can prepare for and/or respond to events such as natural disasters (serve weather, hurricane, tornado, flood), fires, floods, major utility failures, campus disturbances, violent crimes or the death of a member of the university community.

If reasonable cause exists to believe such an occurrence is eminent or has taken place Public Safety should be contacted immediately by calling 252-398-1234. This will initiate the university’s crisis management response system. The on-duty officer is to be appraised of the details of the occurrence and the caller should identify him/herself. The individual should contact 9-911 if the threat/occurrence deems such.

The on-duty Public Safety officer will initiate the university’s emergency notification procedure prior to physically responding to such a report. Members if the university community should not take it upon themselves to initiate campus-wide communication.

Members of the university community are to comply with directives of the Public Safety Staff or other Critical Issues Management personnel. In addition whenever possible, members of the university community are strongly encouraged to monitor their e-mail, telephones and the university’s web site for further information.
Chowan University is concerned about the safety and security of all members of the university community and is committed to providing a safe environment in which all members can achieve their goals. Chowan University is not immune from all crime, but due to our rural physical location within the town of Murfreesboro, and because of the attitude of community shared between the University and the town, we do not experience a significant amount of crime.

Chowan University has developed a series of safety and security policies that have been implemented to ensure that every possible precaution is being taken in protection of our University community. Although we have been very fortunate in not experiencing any major crimes on campus, it would not be accurate to state that we have no crime on campus. As the crime statistics in this report reveal, most of our crimes consist of petty larcenies where a student did not lock his or her residence hall room resulting in theft. The majority of crimes occurring on this campus could be prevented if the student population followed the security measures posted in each residence hall that reminds them to lock their doors whenever they leave the room.

In an effort to prevent such incidents, a full staff of residential living personnel is located in each residence hall to oversee the behavior of the residents and to inspect the condition of the fire safety equipment, exit lighting and to report any safety hazard. Residential living staff personnel also conduct mandatory floor meetings with the residents that cover crime prevention practices and define what type of behavior is expected. They also monitor access to the building through the enforcement of the visitation policy.

**Public safety is everyone’s responsibility and must be viewed as a joint effort for our programs to be successful.**

The Campus Police Department, along with the Department of Public Safety is responsible for enforcement, security and emergency response at Chowan University. It is also responsible for providing services tailored to meet the unique needs of the Chowan University community. These services include:

How To Report Crimes and Emergencies

ON CAMPUS
• Since the Public Safety Department is staffed 24 hours per day, individuals should always report a crime, even if you are not sure about pressing charges (i.e. assault, sexual assault), or other emergencies by calling 252-398-1234 or 9-911 as soon as possible.
• Each incident is investigated by a professional officer
• Our follow-up investigations strive to identify and adjudicate case, recover stolen property and encourage restitution, when possible

**For students that wish to report crimes or suspicious activity anonymously, there is a system in place. Students that would like to make the Chief of Campus Police aware of that activity can submit a form via the Internet. This form is transmitted to the Chief of Campus Police as a filtered e-mail message. No one is able to determine who sent the message. If you wish to submit information in this manner, simply go to:
www.chowan.edu/silentwitness

OFF CAMPUS
• A crime which occurs off-campus should be reported to the police department having jurisdiction for that area
• If you are unsure which department that is, call the Department of Public Safety at 252-398-1234 and we will assist you in locating the appropriate department.

Crime Reporting

Numerous efforts are made to advise members of the campus community about crime and crime related problems. These efforts include:

ANNUAL SECURITY REPORT: A comprehensive annual report of crime related information is compiled, published and disseminated by October 1 of each year. This report is disseminated to all Faculty, Staff and Students.

TIMELY WARNINGS: If circumstances warrant, special printed Crime Alerts can be prepared and distributed throughout the campus via e-mail or special posted alerts.

Crime Statistics

Crime statistics are required to be available to all students. These crime statistics can be found in MyCU, the Student Affairs section. The previous year’s crime statistics are made available October 1. If you do not have access to MyCU, you may contact Campus Police.
As expressed in its Mission Statement and Institutional Goals, Chowan University founded upon and dedicated to Christian principles and values, endeavors to provide quality higher education on a liberal arts foundation in a nurturing environment which is conducive to the intellectual, social, spiritual, and personal development of its students. Thus it is in this context that the University views the presence of illegal drugs as conflicting with this mission and therefore strives to maintain a drug free campus environment.

**THE STUDENT BODY**
The Department of Student Affairs shall be responsible for the administration of this policy as it pertains to the students of the university. Their role and specific responsibilities include:

1) Education directed toward preventing the use of illegal drugs by providing programs, which view illegal drugs from various perspectives.
   a. Students and parents shall be informed of
      1) the educational programs available;
      2) the counseling and rehabilitation opportunities; and
      3) the penalties that apply to those individuals found guilty of violating the policy.
   b. The entire university community shall be made aware of the institution’s stance and concern for the recognition and understanding of and adherence to this policy. Specific published information and floor meetings with students during the first week of the semester shall be used to emphasize the importance of this matter.

2) Counseling for preventing the use of drugs and/or illegal substances shall be provided and where deemed appropriate and/or necessary individuals may be directed to off campus consultative professional services. The success of the counseling program depends on classmates, friends or family members to identify and refer individuals to the Student Affairs staff.

Obviously, the earlier the referral the better and thus it is the responsibility of the community to refer individuals before their being reported and charged with a violation of the policy. Students referred for counseling or who seek counseling will be evaluated by one or more members of the Student Affairs staff. Those who evidence drug related problems may be directed to seek other on-campus counseling provided by the Student Affairs department or an off-campus counseling service. Those who refuse to seek such assistance will be denied continued enrollment.

University judicial action does not preclude the possibility of criminal charges being brought against a student if he or she is found in violation of state, federal, or local laws. It is not considered “double jeopardy” for both the civil authorities and the University to proceed.

**CHOWAN UNIVERSITY COMMUNITY**

I. Education for preventative use of illegal drugs: Members of the Student Affairs Staff will provide citizens of the Chowan University community with an educational program which views illegal drugs from many perspectives.

a. Students and parents will be informed at orientation programs of:

II. Counseling for preventive use and/or rehabilitation: The success of the counseling program depends on citizens of the community and friends or relatives of citizens of the community who see fit to refer individuals to one or more members of the Student Affairs Staff. (Referrals for counseling may be made before individuals are reported and charged for having violated the Chowan University policy on drugs.)

a. Students referred for counseling will be evaluated by one or more members of the Student Affairs staff on illegal drugs
b. Employees of the University who demonstrate drug-related problems are referred to their immediate supervisors
c. Individuals referred for counseling but do not respond to opportunities for evaluations and assistance will be issued written citations requiring them to appear in the Office of the Vice President of Student Affairs at a specified time and date. (Individuals who demonstrate serious drug related problems and who refuse professional help may be given the option of seeking such assistance or being denied continued enrollment at the institution.)
d. Members of the Student Affairs staff may recommend: 1) an on-campus plan for counseling or 2) an off-campus plan in which the referred is required to seek professional help through a counseling service

III. Disciplinary action for students who violate the illegal drug policy: Individuals who do not honor Chowan's policy on illegal drugs are reported to the Vice President for Student Affairs. Formal charges are brought against those whom sufficient evidence exists to support such censures.

a. Students who are charged with violations of the illegal drug policy are given due process
b. The penalty for violating the policy on illegal drugs may range from disciplinary probation to suspension
c. Individuals who are suspended may present in written form a request to re-enroll. Such requests are directed to the Vice President for Student Enrollment who makes the final decision after having discussed the formerly suspended student with the Vice President for Student Affairs (In some cases, applicants are required to appear for a satisfactory interview with the Vice President for Student Affairs before a decision concerning re-enrollment is made).

IV. Disciplinary action for employees who violate the illegal drug policy: Employees who do not honor University policy on illegal drugs are reported to their immediate supervisors for appropriate disciplinary action. **Chowan University Title IX**
Chowan University strives to provide an environment that is fully conducive to learning and intellectual pursuit within a Christian context. The University therefore condemns all forms of sexual misconduct as being inconsistent with its mission.

Chowan University complies with laws prohibiting discrimination, including applicable provisions of and amendments to Titles VI and VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act Executive Order 11246, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Assistance Act, the Age Discrimination Act of 1975, and the Americans with Disabilities Act of 1990.

Title IX of the Education Amendment of 1972 states that “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance”. Sexual violence is a form of sexual harassment prohibited by Title IX.

Chowan University, as a Christian institution of higher education affirms its moral commitment to the dignity and worth of all individuals. Chowan’s policies prohibiting sexual assault and sexual harassment are not only legal responsibilities with practical applicability, they stem from the University’s historical and continuing commitment to Christian and moral values Chowan University will take seriously every allegation or report of sexual misconduct.
The University’s response is intended to assure that all parties involved receive appropriate support and fair treatment, and that allegations of sexual misconduct are handled in a prompt, thorough and equitable manner.

The Sexual Misconduct Policy applies to any instance in which a member of the Chowan University community is alleged to have engaged in sexual misconduct (on or off-campus), regardless of the complainant’s or respondent’s gender or sexual orientation. Chowan University defines Sexual Misconduct to include; sex/gender-based harassment, sexual violence, sexual exploitation, relationship violence, sex/gender-based stalking, retaliation, intimidation and/or third party involvement in such instances. Sexual Misconduct committed via social media or electronically is included in this policy and is strictly prohibited by Chowan University.

Consistent with this principle, a victim of Sexual Misconduct may request that his/her identity remain confidential. Such request should be made to the Title IX Coordinator. The University will attempt to maintain confidentiality except where, in the University’s judgment, maintaining confidentiality would jeopardize the safety of the members of the University community or where disclosure is required by law.

Chowan University has designated a Title IX Coordinator to coordinate the University’s compliance with and response to inquiries concerning Title IX. Ms. Brenda Tinkham serves as the Title IX Coordinator; she may be reached at tinkhb@chowan.edu or 252.398.6437. A person may also file a complaint with the Department of Education’s Office for Civil Rights regarding an alleged violation of Title IX by visiting: the U.S. Department of Education’s website or calling 1-800-421-3481.
SEXUAL HARASSMENT & SEXUAL ASSAULT POLICIES

Chowan University WILL NOT TOLERATE sexual harassment or assault, IN ANY FORM, including acquaintance rape or group (gang) rape. When there is probable cause to believe that the Chowan University regulations prohibiting sexual harassment or assault have been violated, the University will pursue strong disciplinary actions through its own channels. This discipline includes the possibility of suspension or expulsion from the University.

A student charged with sexual assault can be prosecuted under North Carolina criminal statutes AND disciplined under the University code of student conduct. Even if the criminal justice authorities choose not to prosecute, the University can pursue disciplinary action.

Definitions of Rape

Rape is forced sexual intercourse that is perpetrated against the will of the victim. The force may involve physical violence, coercion, or the threat of harm to the victim. Rape is an act of violence, aggression, and power and the most prevalent, serious, violent crime committed on university campuses.

ACQUAINTANCE RAPE
The most prevalent form of rape on university campuses is acquaintance rape, which is forced, manipulated or coerced sexual intercourse by a friend or acquaintance.

GROUP OR GANG RAPE
This type of rape often occurs in residence halls where students frequently have been drinking heavily or using drugs. Multiple assailants attack the victim often after passing out.

SEXUAL ASSAULT
Sexual assault is defined as any forced sexual activity that is against a person’s will. The force may come in the form of actual physical force or it may be mental and emotional pressures, coercion or manipulation. Other felonious crimes besides rape include sodomy (forced anal intercourse); and rape by foreign object (forced penetration of the genital or anal openings by a foreign object including a finger).

SEXUAL BATTERY
Sexual battery is defined as the unwanted touching of an intimate part of another person, such as a sexual organ, buttocks, or breast, for the purpose of sexual arousal.

SEXUAL HARASSMENT
Sexual harassment is another form of sexual assault. It is defined as unwelcome sexual advances or requests for sexual favors by a member of the campus community. The assailant may use, threaten to use, or imply that submission to or rejection of such conduct will have an impact upon academic decisions affecting the victim. This may involve students and professors or staff members.
For the Victim of Sexual Assault

If you are the victim of sexual assault or rape, you should do the following:

a. Go to a safe place and tell someone that you trust
b. Contact the Department of Public Safety - 252-398-1234
c. Get medical attention, even if there are no injuries. (The state of North Carolina can pay the bill anonymously.) Go to a hospital emergency room. Do not bathe, shower, douche, or change clothes before going. Treatment for rape may include testing for sexually transmitted diseases, medication to prevent pregnancy and documenting evidence of the rape so you can decide later whether to prosecute.
d. Report the sexual assault. It is your decision whether to report the sexual assault to police, but you are strongly encouraged to press charges. Campus authorities can charge a student with a violation of the student code of conduct if you do not press charges.
e. Seek counseling. Whether or not you report the sexual assault or prosecute, a trained counselor will be available for help in dealing with the emotional aftermath of the assault. Contact any of the following:
   Director of Residence Life  Penny Hall 103 252.398.6237
   Vice President for Student Affairs  Penny Hall 200 252.398.1227
   Minister to the University  Penny Hall 201 252.398.6282

The University’s Response to Reports of Sexual Assault

The campus’ first responsibility in responding to reports of sexual assault is caring for the individuals involved (the victim, roommate, parents, close friends, and alleged assailant).

STEP ONE:
If an incident is reported to you, recognize that the individual might be struggling with painful feelings - denial, fear, embarrassment, or rage - when seeking assistance. To build trust and to assist the individual in getting further help, validate the courage she/he has shown in talking to you and assure him/her that one need not be alone in his/her struggle with this issue. Keep in mind that while no one invites sexual assault, many people feel that it was the victim’s fault (by asking, for example, “What were you doing out so late?”). This might contribute to feelings of guilt and impede the healing process.

STEP TWO:
Urge the individual to seek assistance from campus support services such as the Director of Housing and Residence Life, the Director of Wellness Center, one of the Ministers to the University, or the Vice President for Student Life. Offer to accompany the individual to the appropriate service.

STEP THREE:
Urge the individual to seek medical care as soon as possible because of physical and emotional trauma that may accompany sexual assault. The risk of sexually transmitted diseases and pregnancy are also concerns to which physicians can respond. One should go to the emergency room of the nearest hospitals: Roanoke Chowan Hospital in Ahoskie or Southampton Memorial Hospital in Franklin, Virginia.

STEP FOUR:
If the assault took place on or near campus, call Public Safety: 252.398.1234. Public Safety will respond promptly.
If the individual is considering reporting the assault to the police, let her (or him) know that it is crucial that medical evidence be collected as soon as possible as physical evidence is important.

Have Public Safety call the police if the victim wants to report the crime. Strongly encourage the victim to allow someone to report the assault to the police.

**Murfreesboro Police Department**
9-911 or 252.398.4151

**Hertford County Sheriff’s Department**
252.358.7800 (if assault occurs out of city limits)

**Step Five:**
To protect the individual’s privacy, discuss the incident only with those campus employees who have a NEED TO KNOW so that they can provide services to parties involved. Refer all inquiries about an alleged sexual assault to the Vice President for Student Affairs, 398.1227.

**Disciplinary Action Taken Against Those Charged with Sexual Harassment or Sexual Assault:**
- Report sexual harassment or sexual assault to the Director of Public Safety or to the Vice President for Student Affairs.
- The above persons will investigate the report.
- If sufficient evidence is produced to support a claim against the accused, charges will be drawn.
- The accused may admit his/her guilt and waive the right of a hearing. If this is done, the accused agrees to accept the punishment imposed by the Vice President for Student Affairs.
- If the accused requests a hearing, the Vice President for Student Affairs is responsible for determining the penalty. The penalty for sexual harassment can range from an official reprimand to suspension. The penalty for sexual assault is suspension or expulsion.
- A student can request an appeal by following the appeal procedure, which is explained elsewhere.

**Rights of Victims of Sexual Harassment or Sexual Assault**

To encourage reporting of assaults and to ensure fairness to victims throughout the disciplinary process, Chowan University has the following statement of rights of victims:
- The right of a victim to have a person or persons of her or his choice, within the University community, accompany her or him throughout the disciplinary hearing
- The right to remain present during the entire proceeding
- The right, as established in state criminal codes, not to have his/her irrelevant past sexual history discussed during the hearing: (The Rape Shield Law)
- The right to make a “victim impact statement” and to suggest an appropriate penalty if the accused is found in violation of the code
- The right to be informed immediately of the outcome of the hearing
To Avoid High Risk Situations

For Men:

• Know your sexual desires and limits. Communicate them clearly. Be aware of social pressures. It is OK not to “score.”
• Being turned down when you ask for sex is not a rejection of you personally. Women who say “No” to sex are not rejecting the other person; they are expressing their desire to not participate in a single act. Your desires may be beyond your control but your actions are within your control.
• Do not assume that just because a woman dresses in a “sexy” manner and flirts that she wants to have sexual intercourse.
• Do not assume that previous permission for sexual contact applies to the current situation.
• Avoid excessive use of alcohol and drugs. Alcohol and drugs interfere with clear thinking and effective communication.

For Women:

• Know your sexual desires and limits. Believe in your right to set those limits. If you are not sure STOP and talk about your feelings.
• Be assertive. Often men interpret passivity as permission. Be direct and firm with someone who is sexually pressuring you.
• Be aware that your nonverbal actions send a message. If you do dress in a “sexy” manner and flirt, some men may assume you want to have sex. This does not make your dress or behavior wrong, but it is important to be aware of misunderstanding.
• Pay attention to what is happening around you. Watch the nonverbal clues. Do not put yourself in vulnerable situations.
• Trust your intuitions. If you feel you are being pressured into unwanted sex, you probably are.
• Avoid excessive use of alcohol and drugs. Alcohol and drugs interfere with clear thinking and effective communication.

The occasional utilization of campus facilities by church/community organizations is accorded as a service to such groups in fulfilling their particular interests or needs. Thus, on campus should also be safeguarded against the unauthorized distributing of literature, advertisements, propaganda, etc., which is alien to the purpose/objective of that event or activity.

Accordingly, neither members of the campus community nor visitors to the campus should frequent residence halls, classroom facilities, etc., without authorization to do so from the appropriated University officials(s). In the case of vending/solicitation, authorization rests with the Vice President for Business Affairs.

**Loitering**
Due to the increase of students in Whites Crossing, there has been a new policy added to the Student Policies. **Loitering** is not allowed at any Residence Hall exits in Whites Crossing. This would include the courtyard, balconies, stairwells, and breezeways of this community.

Whites Crossing residents enjoy different living accommodations that come with enhanced privileges as well as greater expectations of community behavior. Residents of this community have the responsibility to their neighbors to comply with our noise, blocking, room occupancy, courtesy hour policies and all other rules listed in the Student Handbook.

Residents should not loiter outside of residence halls or in other spaces designated above. Loitering is defined as lingering idly or without purpose in any area of the campus without official authority, gathering around in clusters, creating or causing unusually loud noises or disrupting the use of facilities. Students, residents, faculty and staff should be able to proceed without having to maneuver around groups.

Resident Assistants and Public Safety will enforce these rules. Please make sure you comply with our staff. Thank you for your attention with this matter.

**Maintenance and Housekeeping**
Repairs in residence halls are made by calling ext. 1226 (Physical Plant). University personnel provide housekeeping service only in common areas, such as lounges, hallways, stairways and bathrooms. Note: There may be a charge for unclogging drains if there is evidence of negligence.

Residence halls are closed only during Christmas holidays. Students must vacate their rooms on the day the halls close according to the University calendar. At the end of final exams for each semester, students must vacate their rooms within 24 hours after their final exams and/or by the designated time for all residence halls to close, whichever comes first. Failure to possess written permission to occupy a residence hall room from the appropriate university official will result in immediate removal from the residence hall, serious disciplinary action, and/or a fine.

Students who arrive before or stay after the official opening and closing periods will be charged $100.00 per day. **Housing is not guaranteed prior to opening or after closing.** Special housing accommodations are not available for International Students during times when the residence halls are closed. In an effort to increase cross-cultural exchange and to strengthen language skills, international students are strongly encouraged to stay in homes of local families or their college friends.

**Residence Policy**
A student who chooses to live off-campus and fails to obtain approval for commuter status will be subject to revocation of registration, loss of institutional financial aid, and/or fines.

**Room Consolidation**
Students who have not contracted for single occupancy, do not have a roommate, and have been requested to consolidate but have not, must either change rooms or pay the single room rate. Failure to maintain one’s space in a manner welcoming a new roommate may
result in judicial action. Residents do not have the authority to refuse potential roommates. When possible, the Residence Life Office will notify you in advance of a new assignment to your room. Residents may be charged for loss of use of vacant space if conditions or situations in a room make it difficult for someone to move in. This includes not maintaining a clean and safe environment, being rude to prospective resident, not leaving enough space within the room for someone else's belongings, or driving current roommates out of the living environment by being uncooperative or intolerable. WHERE THERE IS A VACANT SPACE, THE ROOM MUST BE MAINTAINED IN A MANNER BY THE OCCUPANT(S) THAT WILL ALLOW ANOTHER STUDENT TO MOVE IN IMMEDIATELY. See housing contract Section IX Assignment Rights.

**Room Assignments**

The University reserves the right to make Residence Hall Room Assignments, which are considered to be in the best interest of the institution and the University community. Each student must occupy his or her room in person and may not sublet it to another person. The University reserves the right to require single occupants living in double rooms to move together in order to open double rooms for others.

**Room Changes**

Students are permitted to change rooms during the room change period provided such changes are approved by the Director Residence Life in advance. Unless the administration initiates the room change, a fee of $25.00 is charged. Any changes made without prior approval will result in a $100.00 fine per person involved, in addition to the $25.00 room change fee.

**Room Checkout Procedures**

All students must follow one of the two check out procedures listed below.

**Standard Room Check-Out Procedure**

All students must adhere to the following checkout procedure. In order for your RA or Residence Life Staff to complete the checkout procedure, all personal items must be removed from your room and the room should be cleaned.

**To check-out:**

- Setup time with your RA or Residence Life Staff to complete the room inventory form and return the key.
- All students must checkout within 24 hours of their last exam.
- Remove all personal items and clean room prior to scheduled check-out time.
- At your scheduled time, meet with your RA or Residence Life Staff to complete room inventory form and return key.

A $100 a day fee will be assessed to all students who stay longer than 24 hours after their last exam. Damage charges will be based on the conditions of the room at check-in compared to check-out. The comparison will be based on the Room Inventory Form signed by the student and Residence Life Staff.

Improper Checkout can also result in the student's ability to receive a University transcript or negative marks placed on student's credit bureau rating.

The University is not responsible for any personal property abandoned or left in the room.
**Express Check-Out Procedure**

Participation in the Express Check-Out Process means to forego participation in the Standard Check-Out Procedure and requires a pre-authorized signature. Express Check-Out forms can be picked up from the RA or the Office of Residence life. The following information is listed on the Express Check-Out Form.

- I am voluntarily agreeing to participate in the Express Check-Out Process and choose not to participate in the traditional Check-Out appointment and room inspection process.
- I will properly clean and prepare my room for move out and fully comply with the requirements of the Check-Out Procedures.
- Residence Life Staff will conduct a complete inspection of my room following my departure and I am waiving my right to be present during the check-out inspection.
- Residence Life Staff will assess damage and cleanliness charges based upon their examination of the room at the time of inspection. (Be aware that you may be held responsible for any damages that may occur after your departure should your roommate not yet be checked out.)
- When applicable, all roommates will share responsibility for any concerns with the condition of the room and all fees and fines will be divided equally among roommates.
- I understand that there is no appeal available for fines and for any damage and cleaning charges assessed for the condition of my room at check-out.

Students who participate in express check-out agree to remove all non-university items, clean room (including vacuuming and removing of all trash). Once the express check-out form is returned, Residence Life Staff will conduct a thorough inspection of the room and the student waives the right to be present during the check-out inspection.

Staff will assess damages based upon their examination of the room at the time of inspection (be aware that you may be held responsible for any damages that may occur after your departure should your roommate not yet be checked out). When applicable, all roommates will share responsibility for the condition of the room and all fees and fines will be divided equally among roommates.

Failure to abide by this Check-Out Procedure will result in the following:

$100 Improper Check-out Fee, $75 Lock Change Fee, Cleaning Fee and any damages found in the student’s room placed on the student’s account. A $100 a day fee will be assessed to all students who stay longer than 24 hours after their last exam. Damage charges will be based on the conditions of the room at check-in compared to check-out. The comparison will be based on the Room Inventory Form signed by the student and Residence Life Staff.

Improper Checkout can also result in the student’s ability to receive a University transcript or negative marks placed on student’s credit bureau rating.

The University is not responsible for any personal property abandoned or left in the room.

**Room Furnishings, Key & Utilities**

**Room Furnishings**

Each residence hall room is furnished with a twin size bed, drawer space, closet, desk, and chair. The University does not provide linens or pillows. Each room has carpet, air conditioning, telephone, and cable service. Removing or disassembling University equipment, furniture, or furnishings will result in disciplinary action against those persons involved. Furnishings are not to be used for any purpose other than that which they were intended.

Any person occupying a residence hall room without written permission from the Director of Residence Life shall be in violation of University Policy. Those in violation may be subject to suspension and considered trespassing on private property.

Residence Hall Policies
To ensure that the residence halls remain a place where every student can be comfortable and safe, and can get the most out of the community living experience, the Office of Residence Life has developed specific residence hall policies.

Role Participation of Student in Institutional Decision-Making

The Student Government Association (SGA) functions as a forum through which students may express their opinions and concerns on matters which affect them. The SGA influences the University’s decision-making process through its legislative powers.

Two relevant legislative powers in the student body which are vested in the SGA are:

1. To appeal recommendations of the University faculty/staff/student standing committees to the appropriate Administrator and then to the President of Chowan University or his/her designee whose decision is final. Such an appeal requires a voting majority.
2. To propose and receive from members of the student body proposals for changes in rules and regulations which are necessary and proper to promote the general welfare of the student body. Upon approval of the voting member of the SGA, the proposals may be forwarded for consideration to the appropriate administrative or academic department and/or proper University faculty/staff/student standing committees.

The University community has proven quite responsive to SGA initiatives. Every student is a member of the SGA and has equal voice and opportunity to participate in the campus governance system.

Student Code of Conduct

Academic Cheating

The purpose of an academic honor code is to build high principles of honor, integrity, and community. An honor code assumes that students will practice honesty with respect to testing and the exchange of ideas and concepts.

Further, such a code requires that students report those who violate this code. The faculty and administration of Chowan University view academic cheating as a serious matter that cannot be tolerated.

Academic cheating is the intentional use or attempt to use unauthorized information from any source during any academic pursuit. Both collusion and plagiarism are also regarded as forms of cheating. Collusion is interpreted as two or more students working together in order to practice dishonesty or deception. Plagiarism is the presentation of work (for example, words, concepts, ideas, or graphics) of another as his or her own work without properly citing the source.

In the event a faculty member believes that a student has engaged in cheating and/or plagiarism, the teacher will submit the evidence to his/her Chairperson. If the faculty member and the Chairperson agree that substantive evidence of cheating exits, they will submit the evidence to the Vice President for Academic Affairs (Provost). If the Provost finds that the evidence supports a charge of cheating and/or plagiarism, he may offer the student a penalty that is acceptable to both the student and the teacher. If a penalty is not offered or is refused, the Provost will appoint a committee of three faculty members, one of whom must be from the department in which the alleged infraction occurred, to hear the case. The committee will render a decision of guilty or not guilty, and will forward to the Provost a recommended penalty in the event that the student is found to be guilty.
The penalty for academic cheating may range from an F in the course to preliminary suspension to expulsion from the University, depending upon the magnitude of the offense. On a second offense of academic cheating at any time during a student’s enrollment at Chowan University, the penalty may be no less than suspension from the University with a semester grade of F in the course in which the offense occurred. In the event that the Provost should impose a penalty of suspension or expulsion, the student has the right to appeal the penalty to the President of the University.

It is expected that the foregoing policy and procedure will be followed in all cases involving academic cheating.

Additionally, the University may alter the judicial procedure if there exists a clear and present danger to the Chowan community. Conduct Process
A Conduct meeting is a hearing scheduled within Residence Life. It is scheduled for you and is in reference to a conduct situation that occurred for which you were documented. This meeting is an opportunity for you to explain your side of the situation before a decision is made, whether you are responsible for violating school policy or if you are not responsible.

We expect you to be honest and without prejudice in reporting violations and/or when participating in conduct proceedings or investigation.

Certain forms of behavior which disturb or offend others and/or violate the rights of others living and working on campus, or which run counter to a major goal of the University, may result in a disciplinary procedure/action. For this reason, and to protect the right of the community, Residence Life staff has responsibility and the authority to document, to correct, to counsel, and to administer sanctions when necessary.

Steps in the Conduct Hearing Process:
1. Notice (Hearing Letter)
2. Hearing (Conduct Hearing)
3. Notice (Hearing Sanctions)
4. Appeal Options

Judicial Procedures
As a private institution, the University adheres to fundamental fairness or fair procedures in terms of judicial process.

A student charged with participation in prohibited behavior is notified to meet with a Hearing Officer assigned by the Vice President for Student Affairs. The Hearing Officer presents the student with the specific charges, and a copy of his/her rights.

The student is to respond to the charges by pleading either responsible or not responsible. Regardless of whether the student pleads responsible or not responsible, he/she meets with the Hearing Officer. The Director or Assistant Director Residence Life, Director of Student Life or others designated by the Vice President for Student Affairs may serve as University Hearing Officers.

The Hearing Officer has the right to add charges based on information presented during the hearing.
Disciplinary Sanctions

A student who engages in prohibited behavior is subject to one, or a combination of more than one, of the following:

**Disciplinary Warning** - official written warning that continuation or repetition of inappropriate behavior may result in more severe sanctions. A copy of this letter will be placed in the student’s Conduct File.

**Letter of Reprimand** - official written notification of violations informing that continuation or repetition of inappropriate behavior may result in more severe sanctions. A copy of this letter is placed in the student’s Conduct File.

**Request for Withdrawal** - As a private institution, the University reserves the right to withdraw any student whose behavior, associations, character, morals, or lifestyle are not consistent with the high expectations of the University and whose presence brings discredit to the good name of the University and is a detriment to campus life.
Chowan University has established minimum penalties for involvement in some prohibited behaviors. Whenever a minimum penalty is not prescribed for a prohibited behavior, the hearing officer recommends the penalty. The student should understand that minimum penalties are not automatic and a hearing officer has the authority to adjust the recommended sanction in relation to the severity and/or repeated nature of the violation.

USE OF COMPUTERS AND DATA

I. PURPOSE
The purpose of this policy is to define responsible and ethical behavior of all users in order to preserve the availability and integrity of university resources.

These systems and machines must be protected from misuse and unauthorized access. Chowan’s computers, computer systems, and computer networks, as well as the data they store and process, must be operated and maintained in a secure environment and in a responsible manner.

This policy applies to all university computer systems and refers to all hardware, data, software, and networks associated with these computers. Your Responsibilities as a Member of the Chowan Network

Chowan University provides access to its computer network to members of the campus community, and promotes the development of a community of electronic learners with rights and responsibilities. The Chowan computer network is essential to meeting the educational, informational, operational, and financial needs of the institution. The university provides access to the network with the understanding that network use, like other areas of campus life, will be guided by the university mission statement.

The campus computer network is part of that “environment” in which the university expects students to demonstrate their developing “skills, knowledge, creativity, and ethical values.” When you use the campus computer network, you do so as a member of a community of learners who share “a moral commitment to the pursuit of truth.” Responsible participation in this community requires respecting the values inherent in the university’s mission and abiding by policies that ensure the mutual benefit of all members of the community.
Respecting the Values Inherent in the University’s Mission

In accordance with its mission, Chowan upholds certain standards of community decency, promotes the development of ethical values, and emphasizes personal responsibility. The values inherent in the university’s mission statement have specific implications for how the university’s computer and other resources will be used. These include:

a. Academic Excellence.

To insure that computer resources are used in ways that promote academic excellence, educational use has priority over other uses. Use of the network in ways that limit others’ educational use—such as time-consuming or multiple-terminal-consuming game playing or excessive message-sending during peak lab hours—violates the university’s commitment to academic excellence by interfering with others’ use of the computers to pursue educational goals. Talking and noise making in the computer labs also diminishes others’ opportunity to use the computer resources for educational purposes. Computer labs are designated only for Chowan students, faculty, and staff. Children and unauthorized guests are not allowed in the computer labs.

b. The Dignity and Worth of Each Individual.

Each member of the network community is expected not only to respect the basic rights of others, but to act in ways that respect the equal dignity and worth of all persons regardless of race, class, sex, or creed. Accessing or sending racially or sexually degrading or harassing materials is not in keeping with the dignity and worth of individuals. Pornographic materials, because they tend to reduce persons to objects, fail to respect the dignity and worth of whole individuals. Viewing such materials in the computer labs is not only offensive to the decency of others, but can also create an atmosphere of sexual harassment.

Open dialogue is essential to learning. Therefore, every member of the network community has a right to enter into dialogue without fear of harassment. Practices such as “flaming,” personal attacks, and sending harassing messages diminish the possibility of open dialogue.

d. Freedom of Inquiry and Expression.

All members of the network community possess a basic right to freedom of inquiry and expression, and a responsibility to exercise that right within the bounds of decency and ethical responsibility. Members of the network community will at all times respect the intellectual property rights of others and will conduct themselves in keeping with copyright and other laws.

e. A Moral Commitment to the Pursuit of Truth.

Participation in the network community is guided by our common commitment to the pursuit of truth. Because all information available through computer networks is not equally worthy of attention, network members will need to exercise discernment in the acquisition and dissemination of information via the computer network just as they do in the classroom.

Abiding by Policies for the Mutual Benefit of All

The Chowan University “Policy on Use of Computers and Data” has been devised to ensure that the university’s computer resources are utilized in ways that ensure the greatest possible benefit to all users and to the institution. Responsible membership in the network community requires abiding by the rules and guidelines set forth in the Policy statement.
