Can I take food out of the dining hall?
Since the dining hall is an all you can eat program, food cannot be taken out.

Can a friend use my ID?
No. But you can use dining dollars to treat a friend. You have to be there in person and present your ID for scanning.

What can I do if I work during meal times?
With the extensive serving hours we expect that your needs will be met. However, we do offer to go meals for those students that absolutely cannot eat and are on a meal plan. Call the food service office for more details.
