Perspectives Program

The purpose of the Perspectives Program is to enrich the intellectual, cultural, social, and spiritual development of students beyond the classroom. The program allows students to develop new perspectives by providing them with opportunities to explore issues of current interest, deepen their awareness of the arts, learn about cultural activities they may not have considered otherwise, discover a variety of disciplines, strengthen their understanding of faith and its diversities, grow toward spiritual maturity, celebrate the achievements of others, and develop an appreciation for the concept of campus community.

In order to pass Perspectives (PERS 101-104), students must attend a minimum of five events during the semester. To satisfy the requirement for graduation, students must pass four semesters of Perspectives. Students seeking a degree from Chowan must enroll in Perspectives in their first semester attendance and continue to enroll until they have fulfilled this graduation requirement. Chowan does not grant degrees to students who fail to earn a pass grade for four semesters. The Registrar will determine the Perspectives requirement for transfer students. **FAILURE TO MEET THE PERSPECTIVES CREDIT REQUIREMENT WILL PREVENT A STUDENT FROM GRADUATING ON TIME.**

Students are encouraged to select events that interest them. When selecting events, please keep in mind that seating in Turner Auditorium is limited to approximately 600. To avoid disappointment, arrive early for events scheduled in Turner Auditorium on Wednesdays at 11:00 a.m. and/or plan to attend events scheduled for later in the semester.

Students receive attendance credit for each Perspectives event they attend. Attendance is recorded by the tapping or swiping of student ID cards. Attendance is included in the student's transcript as a pass/fail grade. It is the responsibility of the student to bring his or her ID card to each Perspectives event and to keep track of the number of events attended each semester and to monitor the four-semester requirement. Students may track their attendance by going to MyCU. Questions regarding attendance or pass/fail grade should be directed to the Registrar's Office.

Guidelines for Attendance

Perspectives events are official university events, usually held in Turner Auditorium, where appropriate behavior is expected. Students are required to follow the guidelines adopted for these events:

- Be on time for the event. Students will not be admitted once the program has started. Students will not be admitted to Wednesday Perspectives events after 11:00.
- Students are required to attend each program for its duration to be awarded credit.
- Dress appropriately for all events. We reserve the right to address this issue with all students.
- Food and drinks are not permitted.
- Remove caps, hats, etc., out of respect to the speaker and those around you.
- Assume an appropriate seated posture. No feet or legs draped over other chairs or armrests. No slumping in chair.
- Give your attention to the speakers. They are our guests. Loud, boisterous, disruptive behavior will not be permitted. Disruptive students will be asked to leave.
- Really listen and get as much out of the experience as possible.
- Communication and electronic devices are not permitted. Students will be asked to leave if they violate this policy.
- At the end of the event, students must have their ID cards tapped or swiped to receive proper credit for attendance. No one will receive credit without having his or her card tapped.
- Students may not stand in the back of Turner Auditorium.
- Students should display Chowan University ID's throughout the program
