## **Perspectives Program**

The purpose of the Perspectives Program is to enrich the intellectual, cultural, social, and spiritual development of students beyond the classroom. The program allows students to develop new perspectives by providing them with opportunities to explore issues of current interest, deepen their awareness of the arts, learn about cultural activities they may not have considered otherwise, discover a variety of disciplines, strengthen their understanding of faith and its diversities, grow toward spiritual maturity, celebrate the achievements of others, and develop an appreciation for the concept of campus community.

Students are encouraged to select events that interest them. Arrive early for events scheduled in Turner Auditorium on Wednesdays at 11:00 a.m. and plan to be seated with your CU101 section.

Students receive attendance credit for each Perspectives event they attend. Attendance is recorded by the tapping or swiping of student ID cards. It is the responsibility of the student to bring his or her ID card to each Perspectives event. Students may track their attendance by going to MyCU. Questions regarding attendance should be directed to the Registrar's Office.

### **Guidelines for Attendance**

Perspectives events are official university events, usually held in Turner Auditorium, where appropriate behavior is expected. Students are required to follow the guidelines adopted for these events:

- Be on time for the event. Students will not be admitted once the program has started. Students will not be admitted to Wednesday Perspectives events after 11:00.
- Students are required to attend each program for its duration to be awarded credit.
- Dress appropriately for all events. We reserve the right to address this issue with all students.
