Spring 2024 Final Examination Schedule April 27 – May 1

UNDERGRADUATE and GRADUATE

A final examination is to be given in all courses on the day and at the time scheduled. Rescheduling a final examination for a class requires permission from the department chair and the school dean. If permission is granted, the faculty member cannot reschedule an exam in another final examination time slot. A faculty member may, with the approval of the department chair, substitute other forms of evaluation appropriate to the objectives of the course for the prescribed final examination in special circumstances. In this case, the department chair approves the action and informs the school dean.

In rare cases, it may be necessary to reschedule a final examination for an individual student. The student must have permission from the dean to reschedule a final examination. Students with three or more examinations on the same day may appeal to the dean for such permission; in such cases, if necessary, the dean will assist the student in rescheduling. Students cannot use travel arrangements as justification for requesting exam time changes.

Note: CU 101/HON 113, CU 102/HON 114 - First Year Experience I and II and LS 201/202/203 – LitSphere do not have a final examination. All other courses will meet at the scheduled exam time to conduct final testing or to accomplish some other meaningful educational activity.

ON-LINE CLASSES

Final exams for on-line classes must be scheduled during final exam week.

LESS THAN FULL-TERM CLASSES

Final exams for less than full-term classes, such as physical education activity courses, must be scheduled for the last class meeting.
