

## **2025-26 Estimated Cost of Attendance**

Cost of attendance (COA) is what is considered the average amount it may cost to attend in a given academic year. The COA also establishes the maximum amount of aid a student can receive in a school year or semester. The COA consists of numerous components, which fall into two categories.

Direct Costs – expenses that are typically paid directly to the school. This may include tuition, fees, living expenses (for residential students), and certain book related expenses.

Indirect Costs – expenses that may not be paid to the school, but are associated with going to college. This may include transportation, additional supplies, loan fees and personal expenses. Students who are not residential do not pay living expenses to Chowan, rather, they can use this allowance in aid to assist with their individual living expenses.

Below are the cost of attendance associate with our programs. If you have questions, please contact the Financial Aid Office at 252-398-6535 or by email at [finaid@chowan.edu](mailto:finaid@chowan.edu).
